**6. LOCAL GOVERNEMENT REVIEW – BOUNDARY COMMITTEE**

The U-turn on the Ipswich Unitary Bid meant it was not going ahead. The County Council is in favour of one unitary council for the whole of Suffolk, indeed this could save the most money which meant lower future council tax. Suffolk Coastal District Council on the other hand have supported the East Suffolk, West Suffolk and Ipswich concept. When Mr Peter Bellfield was asked if a single Unitary Council for Suffolk would create redundancies he said that job losses would be reflected in natural wastage of “voluntary” redundancies. He cited Cornwall as an example of single unitary council; there would be opportunities for devolving a lot of decision-making to main local councils e.g. highway issues and planning in particular. When the Chairman asked Parish Councillors which option they would support they opted in favour of one single Unitary Authority for Suffolk. We were advised that the Boundary Committee will consider various concepts and seek the views of local authorities and other stakeholders over the next two months.

Signed .....  
Chairman

**7. VILLAGE PLAYING FIELD – Progress Report**

Mr Julian Haywood-Smith queried if the planning permission – to extend the Village Hall accommodation - that had been approved some time ago was still valid. Payment for the Boules Court had yet to be settled, half of which was being paid by the Parish Council (£1,500) and half by the John Belstead Playing Field Project. The Parish Council was able to claim the VAT back.

**8. HIGHWAYS**

Mr John Carter-Jonas had nothing significant to report other than general wear and tear on the edges of roads. The clerk asked if the trial measure of switching off the traffic lights at St Michael’s roundabout in Kesgrave had made a difference to the traffic in the village. No one had noticed any difference. The clerk reported she had asked SCC to put the traffic counter by the church/war memorial rather than by the hump backed bridge but they hadn’t been able to do this. The results from this traffic counter had not been received.

**9. FINANCE**

The following cheques were written and authorised:-  
Sarah Cartwright                      £31.16

Statement of Accounts 2007-2008 - The Annual Return and Statement of Accounts 2007/08 were approved by Councillors and signed by the Chairman and Clerk. These had been internally audited by Mr John Stroud. A bottle of wine was given to him in recognition of his hard work. The Annual Return will be sent off the week commencing 23<sup>rd</sup> June. This gives parishioners 5 weeks in which they can inspect the Parish Councils “books” at the Clerk’s home. The precept stays the same. This was proposed by Mr Paul Norris and seconded by Mr John Carter-Jonas.

**10. CORRESPONDENCE**

Correspondence will be circulated around Councillors in due course.

Signed .....

**11. ANY OTHER BUSINESS**

Mr Julian Haywood-Smith proposed that the Village Hall Management Committee look into getting glass and tin recycling facilities on their premises. Mr Eric Barnett as Village Hall Representative would bring this up at their next meeting on Wednesday, 21<sup>st</sup> May. The surface of the new footpath linking Great Bealings with Little Bealings needed some attention. Mr Julian Haywood-Smith suggested another litter pick, which was agreed by Councillors.
